# Rayovac Acoustic Special Mercury Free:

Rayovac's technical experts have overcome the challenges in removing Mercury, which is used in most other zinc air hearing aid batteries. Rayovac Acoustic Special Mercury Free far exceeds the competition in performance and consistency, and gives you and your patients an earth-friendly choice without compromise.

## Rayovac Acoustic Special:

- 1) The World's longest lasting mercury free Hearing Aid Battery lasts up to 30% longer than equivalent mercury free competitive product – verified by independent testing
- 2) From the World's No.1 selling hearing aid battery manufacturer
- 3) Now with stainless steel - corrosion resistant shell boosts performance and improves conductivity
- 4) Easy to use packaging - 100% recyclable
- 5) Patented technology
